Gift Idea: Tagul Word Clouds

Make a Tagul (Word Cloud) for your mentee with words that you think describe them or that relate to your time together.

- Go to tagul.com
- Click on "Create Word Cloud" button
- In the first blank UNDER the "Search" column, type their name and hit Enter.
- Then continue to put in words that describe them or your time together.
- When you are done hit the red "Visualize" button on the right.
- You can play with the shape, fonts, layout and style as well. Just hit the "Visualize" button to see how your word cloud changes.
- Then you can hit FILE and print and give to them as a reminder of what you think of them.
- To save it you will need to create an account. It is free of charge and it will house all of your Word Clouds in the future.
